

Business Analyst Position - Solutions Lab, Consultancy

Location: Budapest, Hungary

Solutions Lab is the education innovation arm of the **Milestone Institute**, an internationally recognized education services group. Our mission is to blueprint 21st-century education by blending cutting-edge digital solutions, educational design, and strategic transformation. As a **boutique consultancy**, we drive meaningful change in the education sector through strategic consulting and the development of innovative spinoff ventures.

Role Overview

As a full-time Business Analyst, you'll work in small teams (typically 2-4 consultants), contributing significantly to all aspects of project execution. This entry-level position offers the opportunity to engage with dynamic challenges, develop essential consultancy skills, and grow within the organization.

Key responsibilities include:

- Collaborating with team members on all aspects of project execution, from research to implementation.
- Employing creative problem-solving and analytical thinking to address complex challenges.
- Supporting project management with exceptional organizational and communication skills.
- Preparing and delivering impactful presentations for internal and client audiences.
- Contributing to educational innovation with a focus on academic excellence and forward-thinking solutions.

Candidate Profile

We are looking for a young professional with

- eagerness to grow and to take on significant responsibility from day one,
- autonomy and a passion for education and innovation,
- affinity to consultancy and project management,
- a bachelor's degree or equivalent (fresh graduates and 1-2 years of work experience welcome).

Why Solutions Lab?

At Solutions Lab, we offer a competitive salary in the consultancy sector, along with tools to support your work, including a laptop, a work phone plan, and AI subscriptions (ChatGPT). Here you'll not only have the opportunity to work in the consultancy sector but also lead meaningful projects that reshape the future of learning.

Solutions Lab is committed to pay transparency. The salary range for this position is 740,000 HUF to 870,000 HUF gross per month.
