### About Us:

Milestone Institute provides personalized education for secondary school students, an area where we have fulfilled a leading role since our foundation in 2010. Our domestically developed, internationally recognized English-language programs, delivered alongside secondary school, provide intellectual development and academic immersion, helping our students to find the academic area best suited to their interests and abilities, so that they can become successful, independently thinking people. Our unique educational programs were designed to nurture a community of future leaders committed to creating a competitive Hungary in the 21st century.

Milestone Institute seeks a Child and Adolescent Clinical Psychologist or a Consulting Psychologist to join our dedicated team of educators and academics on a contractual/employment contract basis. Our approach is empathetic, accepting, and child-centered. We are proud to work in an environment characterized by a supportive and informal atmosphere that positively impacts students and staff. We offer an after-school program for high school students (aged 14-18), who are ambitious and aiming to study at top universities worldwide.

Our teaching staff is composed of committed professionals whose passion for their field and exceptional expertise define their work. They foster a warm, nurturing school environment that ensures the maximum development of the individual abilities of each of our students.

If you are passionate about working in a dynamic, child-centered environment where empathy and professional excellence meet, we encourage you to apply.
